Note: This bulletin reports one of a series of investi-  
gations designed to develop, evaluate and implement  
a model teacher education program for the preparation  
of elementary teachers. This report was prepared  
pursuant to a contract with the Office of Education,  
U.S. Department of Health, Education and Welfare.  
Contractors undertaking such projects under Govern-  
ment sponsorship are encouraged to express freely  
their professional judgment in the conduct of the  
project. Points of view or opinions stated do not,  
therefore, necessarily represent official Office of  
Education position or policy. This bulletin may  
not be reproduced without permission.
